

About

Bernhard Huber, berni_huber@a1.net

1 About This Site

This site is for demonstrating cool feature of Cocoon. Moreover it tries to explain the features used for building this site.

Last but not least it is a testbed for the german sister site [WeinQuartalsTrinker](#).

2 About Me

My name is Bernhard Huber, living in Austria.

Interested in

- Using, and developing [Cocoon](#)
- Writing documentation, developing new Cocoon sitemap components
- Donating, committing, and fixing Cocoon.
